## CATERING

Spruce Catering is operated by Diversity Foods Services. Diversity is a social enterprise that prioritizes social, cultural, economic, and environmental well-being for the community. The enterprise specializes in creating flavorful and nutritious food prepared from scratch using authentic ingredients and recipes. The food is sourced using sustainable and responsible methods, with all products following rigorous standards. The social enterprise also offers meaningful employment and career development opportunities to individuals traditionally marginalized in the economy. This includes persons with disabilities, refugees, indigenous peoples, and those in low-income households. The enterprise fosters a positive, dynamic work environment that values each employee's skills and provides them with opportunities to grow. Moreover, the social enterprise believes in creating meaningful community through the sharing of food, which is done in their intentional gathering spaces. Through their partnerships with other organizations, Diversity expands its vision and reaches more people in the community.
